murderous outbreak, from its vicious beginnings in the closed world of Sydney's motorcycle gangs to its inevitable end in death and imprisonment. The Milpera Massacre has become a grisly part of Australian folklore, and the extraordinary range of characters involved in this horrifying clash are brought to life thanks to the skilled work of these two outstanding investigative journalists.

We Were Brothers In Arms-

Frank Clark 2013-12-01 We Were Brothers in Arms is an attempt to understand the experience of battle during WW2 through the personal experiences of the ordinary soldier. Frank Clark has gathered together the amazing stories of British soldiers during the eleven months of frenzied warfare that followed D-Day, and combined them into this fascinating volume. As a veteran himself (serving in WW2, Korea, Malaya, Cyprus, Northern Ireland and during the Cold War), Frank is well versed in the adrenalin of battle, and here he brings together the tales of a wide

cross section of fighting men on the front line. There are stories from the infantry, the assault troops who stormed the Normandy beaches and forced bridgeheads. The dashing reconnaissance men in their thin-skinned, tanks sending back vital radio reports; the parachutists, dropping behind enemy lines to fight, the sappers building bridges and clearing minefields under fire; the gunners, bringing down fast, furious and accurate barrages; the signallers, patching up communication links; the non-combatant stretcher-bearers, the doctors tending the wounded, the support services bringing up food and ammunition. This book tells their story of war, and reminds us why their sacrifice should never be forgotten. We Were Brothers in Arms is a compelling account of the last months of war told through eye witness accounts, some never before published.

Love in Spring Series (books 1-3) - The Cavanagh Brothers

Grace Roberts
Welcome to Spring Harbor, where love is in the air. A small-town series for fans of sweet romance, this box set features the three Cavanagh brothers and the women who steal their hearts. Book 1: No End To Love - Adam and Ellie's story, a single-dad romance. Book 2: Unplanned Love - Kean and Charlie's story, an enemies-to-lovers romance. Book 3: Return To Love - Kyle and Lauren's story, a second-chance romance. All books work as standalones, with a sweet happy ending and no cliffhanger. If you like romances focused on emotions, small-town settings and tight-knit communities, you'll adore the books in the Love In Spring series.

Destructive Sublime-Tanine Allison 2018-06-25 The American popular imagination has long portrayed World War II as the "good war," fought by the "greatest generation" for the sake of freedom and

democracy. Yet, combat films and other war media complicate this conventional view by indulging in explosive displays of spectacular violence. Combat sequences, Tanine Allison argues, construct a counter-narrative of World War II by reminding viewers of the war's harsh brutality. *Destructive Sublime* traces a new aesthetic history of the World War II combat genre by looking back at it through the lens of contemporary video games like *Call of Duty*. Allison locates some of video games' glorification of violence, disruptive audiovisual style, and bodily sensation in even the most canonical and seemingly conservative films of the genre. In a series of case studies spanning more than seventy years—from wartime documentaries like *The Battle of San Pietro* to fictional reenactments like *The Longest Day* and *Saving Private Ryan* to combat video games like *Medal of Honor*—this book reveals how the genre's aesthetic forms reflect (and influence) how American culture conceives of war, nation, and representation itself.

Biglow 2020-11-06 Enjoy this faith-filled cozy series by S.E. Biglow... Does time heal all wounds? Port Marie's Veteran's Day celebration and parade reunites Reverend Margot Quade with her old army buddy Derek Nesbit. He's finally at peace with the death of his uncle and both believe they've put their past overseas behind them. Fate has other plans. When Derek and Sam vanish at the end of the parade, Margot fears something is amiss. A ransom note with the promise that at least one won't survive the day confirms her suspicions. Now, she is left to chase down the ghosts of her military past in the hopes of bringing her family home safe. Even if it means ignoring police directives. With time running short, Margot uncovers a shocking truth about a comrade who made the ultimate sacrifice. Determined to not let history repeat itself, Margot races headlong into danger, with only a prayer that the Lord will see her through. theaters. The sale of American International Pictures in 1979 and New World Pictures in 1983 marked the end of an era. The emergence of home video in the 1980s marked the beginning of a new phase, as dozens of B movies were produced each year for the small screen, many becoming cult classics of science fiction, horror and fantasy. Through numerous interviews with producers, directors, photographers and actors, this book sheds light on an overlooked corner of film history with behind-the-scenes stories of 28 low-budget favorites from the 1980s.

Suicide in the Entertainment Industry-

David K. Frasier 2015-09-11 This work covers 840 intentional suicide cases initially reported in Daily Variety (the entertainment industry's trade journal), but also drawing attention from mainstream news media. These cases are taken from the ranks of vaudeville, film, theatre, dance, music, literature (writers with direct connections to film), and other allied fields in the entertainment industry from 1905 through 2000. Accidentally self-inflicted deaths are omitted, except for a few controversial cases. It includes the suicides of well-known personalities such as actress Peg Entwistle, who is the only person to ever commit suicide by jumping from the top of the Hollywood Sign, Marilyn Monroe and Dorothy Dandridge, who are believed to have overdosed on drugs, and Richard Farnsworth and Brian Keith, who shot themselves to end the misery of terminal cancer. Also mentioned, but in less detail, are the suicides of unknown and lesser-known members of the entertainment industry. Arranged alphabetically, each entry
