Conversations at the Well-Jung Eun Sophia Park 2019-08-29 Are religious women in the United States disappearing and finally dying out? Or is there any new way of religious life emerging? Conversations at the Well tries to respond to this question. In the twenty-first century of the global world, newly emerging religious life would be rooted with the Jesus Movement and develop in the spirit of collaboration, networking, and intercultural living. As the liminal space, religious life is located at the margins, subverting the existing social order and creating a new vision for the world. This book explores an alternative meaning of religious life within the context of the apostolic mission. In this new religious life, the concept of community is not limited to living as a community in the convent, but extended into collaborating friendship. Primarily, the apostolic religious life is deeply related to social justice, delinking the global capitalism in which many people suffer from human trafficking, immigration, and exile. The new leader of religious women would require skill in handling uncertainty, amplifying resources, and opening to the new reality. In this new religious life, spirituality would be articulated as freedom and liberation to let go of the old frame, as well as letting the new life become reality. In this way, as radical disciples, religious women in the twenty-first century embody the Jesus Movement, building bridges between different cultures and people.

Angel of Love-Lily Amis 2016-07-18 Isn't it remarkable how just one single person can change your entire life in a positive or negative way? Feeling loved by someone,

who you love unconditionally and unquestioningly is the most beautiful feeling in the world. And feeling unloved, rejected and ignored by the same person is the most painful, heartbreaking and devastating feeling ever - it rips your heart out, it kills your soul. That's how I came up with the idea of the book "Angel of Love". A man, who first heated my frozen heart. A man, who made me fall in love for the very first time. A man, who became the Angel of Love for my lonely heart. A man who filled my frozen heart with love, passion and hope. A man, who became the healing crème for my empty soul turned suddenly and completely unexpectedly into poison for my soul. What do you do in a situation like this? Especially when the person ignores you completely and you're on an one-way communication street. I tried to find the perfect suitable song to make him understand how I feel. How his rejection was hurting, upsetting, disappointing and humiliating. Million love songs are written around the world, and still I couldn't find any lyric that would describe my emotion. Even a list with the most "sad, heartbreaking songs ever" was not helpful at all. Nothing described my pain. So I started to write my own lyrics as a self-therapy. Looking at them now, I guess many readers with an injured heart will agree that my lyrics describe their emotions like no other song lyric before. Well I hope you like what you read and some of it, if not all of it encourages you in difficult times. Enjoy the quotes and the wonderful pictures that my mum Sima has taken. "Angel of Love" contains lyrics for readers with an injured heart and open scars. 28 Song lyrics, Illustrations and quotes inspired by the Short Romance Book "Angel of Love & Lily. Zak my sweet inspiration." The Song lyric "My Angel of Love" was awarded by the UK Songwriting Contest 2015 with a Commended Entry Certificate and scored 5 from maximum 10 points which indicates that me, the lyricist have demonstrated real songwriting ability and understanding.

Just a Song-Stephen Owen 2020-10-26 ""Song Lyric," ci, remains one of the most loved forms of Chinese poetry. From the early eleventh century through the first

quarter of the twelfth century, song lyric evolved from an impromptu contribution in a performance practice to a full literary genre, in which the text might be read more often than performed. Young women singers, either indentured or private entrepreneurs, were at the heart of song practice throughout the period; the authors of the lyrics were notionally mostly male. A strange gender dynamic arose, in which men often wrote in the voice of a woman and her imagined feelings, then appropriated that sensibility for themselves.As an essential part of becoming literature, a history was constructed for the new genre. At the same time the genre claimed a new set of aesthetic values to radically distinguish it from older “Classical Poetry,” shi. In a world that was either pragmatic or moralizing (or both), song lyric was a discourse of sensibility, which literally gave a beautiful voice to everything that seemed increasingly to be disappearing in the new Song dynasty world of righteousness and public advancement."

Wild About Denali-Sara Blackard 2021-12-01 Falling for the single mom? Nope. Not gonna happen, no matter how gorgeous and kindhearted she is. The potential for heartache is too high. I should know. My mum proved that dating a single parent leaves one open for soul-crushing bachelorhood. Which is why I was determined to keep things friendly with Denali Wilde once I learned that the beautiful police dog trainer came with a kid. Why add the possibility of angst and suffering to my already stressful move to Alaska and opening an animal rescue center? Too bad I didn’t keep my wits when it came to her son. The problem? The kid is amazing, into rescuing animals just like I am. Fair dinkum, the kid needs a mate about as badly as I do. I’ve done a lot of crazy things in life. I mean, my TV series on Nature Channel wasn’t called Getting Wild with Wilder for its placid landscapes and tranquil animals. Yet, getting close to Denali and her son proves I have more than a few roos loose in the top paddock. Not only has my admiration for Denali increased with her insane dedication to her son, but he’s buried himself so far in my heart, I’ll never escape. My determination to keep things friendly with Denali? Yeah, not as easy as I thought it would be, at least on my end. The thing is I’m wild about Denali. I just don’t think she feels the same for me. Wild About Denali is a laugh-out-loud, heart-melting romcom with a single-mom, an Aussie reality TV star, and kisses that will curl your toes while keeping it clean.

The Poetics of American Song Lyrics-Charlotte Pence 2012-01-01 The Poetics of American Song Lyrics is the first collection of academic essays that regards songs as literature and that identifies intersections between the literary histories of poems and songs. The essays by well-known poets and scholars including Pulitzer Prize winner Claudia Emerson, Peter Guralnick, Adam Bradley, David Kirby, Kevin Young, and many others, locate points of synthesis and separation so as to better understand both genres and their crafts. The essayists share a desire to write on lyrics in a way that moves beyond sociological, historical, and autobiographical approaches and explicates songs in relation to poetics. Unique to this volume, the essays focus not on a single genre but on folk, rap, hip hop, country, rock, indie, soul, and blues. The first section of the book provides a variety of perspectives on the poetic history and techniques within songs and poems, and the second section focuses on a few prominent American songwriters such as Bob Dylan, Bruce Springsteen, and Michael Stipe. Through conversational yet in-depth analyses of songs, the essays discuss sonnet forms, dramatic monologues, Modernism, ballads, blues poems, confessionalism, Language poetry, Keatsian odes, unreliable narrators, personas, poetic sequences, rhythm, rhyme, transcription methods, the writing process, and more. While the strategies of explication differ from essay to essay, the nexus of each piece is an unveiling of the poetic history and poetic techniques within songs.

Song Translation: Lyrics in Contexts-Johan Franzon 2021-02-01 Song Translation: Lyrics in Contexts grew out of a project dedicated to the translation of song lyrics. The book aligns itself with the tradition of descriptive translation studies. Its authors, scholars from Finland, Great Britain, Greece, Italy, Norway and Sweden, all deal with the translation of song lyrics in a great variety of different contexts, including music and performance settings, (inter)cultural perspectives, and historical backgrounds. On the one hand, the analyses demonstrate the breadth and diversity of the concept of translation itself, on the other they show how different contexts set up conditions that shape translational practices and products in different ways. The book is intended for translation studies scholars as well as for musicologists, students of language and/or music and practicing translators; in short, anybody interested in this creative and fascinating field of translational practice.

HandiLand-Elizabeth A Wheeler 2019-08-13 HandiLand looks at young adult novels, fantasy series, graphic memoirs, and picture books of the last 25 years in which characters with disabilities take center stage for the first time. These books take what others regard as weaknesses—for instance, Harry Potter’s headaches or Hazel Lancaster’s oxygen tank—and redefine them as part of the hero’s journey. HandiLand places this movement from sidekick to hero in the political contexts of disability rights movements in the United States, the United Kingdom, and Ghana. Elizabeth A. Wheeler invokes the fantasy of HandiLand, an ideal society ready for young people with disabilities before they get there, as a yardstick to measure how far we’ve come and how far we still need to go toward the goal of total inclusion. The book moves through the public spaces young people with disabilities have entered, including schools, nature, and online communities. As a disabled person and parent of children with disabilities, Wheeler offers an inside look into families who collude with their kids in shaping a better world. Moving, funny, and beautifully written, HandiLand: The Crippest Place on Earth is the definitive study of disability in contemporary literature for young readers.
